Special Guest: Shawn O'Connor, candidate for NH first congressional district.

Our friends from Campton and the Meredith/Laconia area should take this opportunity to meet and hear from a solid candidate running in the primary against Carol Shea-Porter. O'Connor is a successful educational entrepreneur, a proven job creator, and an active community leader who is deeply committed to bridging the partisan divide in Washington in order to facilitate the passage of pragmatic public policies that will ensure affordable, high quality healthcare, as well as economic and educational opportunities for all Americans.

7:00 Guest Speaker: Maryland Governor and Presidential candidate Martin O'Malley

Governor O'Malley has spent his entire career fighting for underserved and middle-class communities. He has served as the Governor of Maryland and Mayor of Baltimore—earning a reputation as a bold, progressive, and pragmatic executive.

While Mayor, he promoted the local economy—bringing fiscal stability to schools and cracking down on crime, which drew investments and people back to the city. For his many achievements, TIME Magazine named O'Malley “one of America’s top five big city mayors.”

Under O'Malley’s leadership as Governor, Maryland recovered 100 percent of the jobs lost during the national recession and was one of only seven states to maintain a AAA bond rating. Maryland was also recognized as having the best public schools in America for an unprecedented five years in a row.

Please join us. We look forward to seeing you.
